Location: Kerala, India

Website: areeb1562.github.io/Portfolio/

SUMMARY

Data Scientist with hands-on experience in predictive modelling, inventory optimization, and data-driven decision-making. Skilled in Python, SQL, and machine learning techniques to solve business problems and drive operational efficiency. Proven ability to audit large-scale operations and reduce discrepancies.

PROFESSIONAL EXPERIENCE

Data Scientist Lyseibug - India

05/2025 - Present

- Developed an chatbot to instantly answer company-specific queries by using loaded organizational data, significantly reducing time spent on data requests.

Data Analyst Grand Hypermarkets - UAE

02/2023 - 05/2025

- Analyzed sales data, market trends, and consumer behavior to optimize inventory levels and marketing strategies, effectively identifying and resolving discrepancies.
- Audited 16 stores and Warehouse Operations with stock worth up to 24M AED
- Built sales forecasting models that enhanced decision-making processes.

Data Science Intern Techolas Technologies - India

07/2022 - 02/2023

- Developed predictive models and performed real-world data analysis.
- Generated insights to support strategic business goals.

EDUCATION

Data Science with AI & Analyst

01/2022 - 02/2023

Techolas Technologies - Diploma

Biology Maths

06/2020 - 06/2022

JDT Islam - Higher Secondary

PROJECTS

Comment Toxicity Finder

- Created a Bi-LSTM model that Classifies Obscenity, Toxicity, Threats, Insults, and Identity Hate in Content to Ensure Safer and More Respectful Communication
- Built using Google Colab, deployed with Gradio.

Laptop Price Finder

- Developed a Random Forest Regressor to estimate laptop prices.
- Built a user-friendly web app using Django in VS Code.

SKILLS

Python
SQL
PowerBI, Tableau
Advanced Excel
Machine Learning
Deep Learning
LSTM
Random Forest
Data Analysis

Numpy
Pandas
Demand Forecasting
Inventory Optimization
Stock Audits
WMS & GOLD Software
Django
VS Code
Google Collab

CERTIFICATES

National Council for Training and Technology (NACTET) - Grade A
